

Free Choice Project Requirements

You have learned over the last quarter, that there are many forms of art ranging from; pattern design, product design, architecture, sculpture, painting, drawing, floor layouts, graphic arts, photography, etc. Your next project is a “Free Choice” project, however there are some parameters you need to fulfill in the completion of your project.

This is a 2-week project. You will be given 7 in-class work hours. Your regular weekly assignments will still be due. (Sketchbook and Idea File collection)

Project Requirements:

- 1) You must be able to work on the project **during class** time.
(if some additional time is needed outside of class to complete the project that is fine, however you must be on task while in Art class)
- 2) You must create a **written plan** for your project.
- 3) If the **materials** are not available from the art class supplies, you must provide them for yourself. You are responsible to **be prepared** each day.
- 4) You **cannot change** your mind once your project plan has been **submitted and approved** by the teacher.
- 5) You will be **graded** in the following areas.
