

Tom Sawyer Drama Rehearsals

***All lines should be memorized this week.** Please brush up the night before your rehearsal to save time with prompting. If it appears you did not memorize, parts may be reshuffled.

* **Missed practices** are not excused unless you have personally checked with me. Do not send a message with someone else. This includes conflicts with basketball games. I know the class isn't graded, but please respect the rest of the cast by being at your rehearsal. We will do the scenes in the order listed, so you may leave when your scene is complete. Please know what scenes you are in. If you do not have a speaking part, but you are in the scene, you do not need to be at the rehearsal until February when we really start our blocking.

* On **January 13** we will READ through the entire script together so that everyone knows the flow of the play. We will also work out the "double" scene issues, talk about the stage and blocking, and get sizes for costumes. **PLAN TO BE THERE!!** There will be a parent meeting afterwards.

***\$30 drama fee** is due at the end of the month. I have only received one.

*After school (and some morning) practices will be in **Mrs. Orr's** room. There is an **O** next to those that will be in her room.

*Spirit Week will be a light rehearsal week so these next two weeks need to be strong. **Only 8 weeks until performance!!!** We have a great cast so let's create a production we are proud of. Everybody counts!!

* I will post this schedule on the high school bulletin board and on my window. I recommend you cut this out and keep it with you. You may also want a copy for home. I will have them available.
