Note from the Teachers

Our Reading Rocket program launches today! During the months of October-April, students should be reading as many pages as possible. Then, they will complete a Rocket Report Form for each book read. A parent must sign this form, before it is turned in for credit. Every month students reach their monthly reading goal, they will receive a pizza certificate. There are also prizes for reaching halfway and final reading goals. Mrs. Higgins' students need to memorize "A Patriotic Creed" for second quarter. They should be prepared to recite it, for a grade, on Tuesday, October 26. Mrs. Higgins plans to include this piece in her class' presentation at Barnes and Noble. Information on Mrs. Wunner's class' second quarter memorization will be coming later. Don't forget to turn in all those Box Tops you have been collecting; the Box Tops Contest ends next Friday, 10/15. Please note: The quarter ends Friday, October 15. All missing assignments must be in by then, to receive credit.
