Honor your father and your mother, so that you may live long in the land the LORD your God is giving you.    Exodus 20:12

### Note from the Teachers

Both classes need "treasure chest" items for use throughout the school year or a donation or gift card to help us purchase these incentives. Your students are working so hard, they deserve a little reward now and then. We will soon complete our study of the history of Shasta County. This Friday, 9/24, students must turn in their Shasta County Current Event Report and give a brief oral summary of its contents. There will be a Shasta County Final next Tuesday, 9/28. Students will complete a review sheet in class on 9/23, to take home. A note about Math: Any problems your student misses on daily math problem sets must be corrected and returned the next day. This will increase understanding and help your student avoid repeating errors. We appreciate your help with this. Please make sure your child is memorizing this quarter's memorization piece; students will be reciting The Ten Commandments, for a grade, next Friday, October 1. This month the RCS "Do Hard Things" Club is collecting items to donate to Haven Humane Society. If you have food for dogs or cats, dog blankets, or chew toys (without stuffing) you would like to donate, please send them to school with your child. We want to demonstrate the love of Jesus by serving those in need. The Office has asked us to let you know that lost lunch boxes will be kept for one week and then thrown away. Please check the Lost and Found frequently.
