Notes to Parents:

As we head into autumn the mornings are beginning to be a bit cooler. Please send a light sweater or jacket with your child to keep in their backpack. Thank you. ☺

Please continue to check and initial your child's homework each night. Even if they attend the after school program, your child's paper needs to be signed by a parent.

We are still in need of library helpers and substitute helpers for both classes. Please let us know if you can help out. Thank you. ☺

It is Ant Week in our Insect Unit! We will have fun learning about these amazing creatures that are even mentioned in God's Word.
