

**Kindergarten Homework
Oct. 13th-17, 2008**

Monday: Homework 28B and practice Bible verse

Tuesday: Homework 29B & practice Bible verse

Wednesday: Fact Homework 30B and practice Bible verse

Thursday: Fact Homework 31B & Homework 31B and practice Bible verse

For Friday: We will be sharing an item beginning with "H". Library books are due Monday. We go to the library on Tuesday.

Bible Verse: We will begin learning Psalm 100, a great Psalm of thanksgiving to our Lord. This week we will memorize Part 1: "Make a joyful noise unto the Lord all ye lands, serve the Lord with gladness." Please keep the attached copy of the entire Psalm for reference.

Parent Notes:

Tomorrow is Career Day! We hope to see all of the children dressed in an outfit they might wear in their selected career. There will be a sports day later in the year so this is for policemen, nurses, artists, lawyers, etc. We are looking forward to hearing about some very interesting careers from some of our wonderful parents at Career Day Chapel.

You will notice that we have added some fact homework (side B) papers this week. The children will usually have two homework papers now and their Bible verse to practice. There will be fact cards coming home to use when completing the Fact Homework if needed. It is a good idea to work with these like flash cards to learn Math facts. The answers should be written on the back of the cards after you separate them on the perforated lines.
