Parent Notes :

We are excited to begin Reading Groups this week. If you are interested in helping and have not been contacted, please speak with your child's teacher.

Since library is Tuesday, the library books must be returned on Monday so they can be checked in before Tuesday. If the book comes in Tuesday, (unless your child is absent Monday), the student will not be able to check out a new book. Mrs. Pryor is in need of a library helper.

We will be going on a field trip to Hawes Ranch & Farm on Friday, Oct. 10th. Details and permission slip will be sent home soon.

Please help our boys to keep their shirts tucked in by sending them with a belt or pants that stay up quite well. They should be able to manage the belt themselves. We appreciate how well all of the students are adhering to the school dress code. They are certainly a great looking group! We love teaching your amazing kids!
