### Notes to Parents:

We will be starting reading groups at the end of the month. We are still in need of reading group helpers for Thursday & Friday and every other Monday in Mrs. Pryor's class. Mrs. Spagnola's class is in need of a library helper for Tuesdays. Grandparents are always welcome to help in these areas as well as parents. ☺

Please remember to send a small, nutritional snack with your child on hot lunch days.

Please send library books back by Monday. Our library day is every Tuesday. The students must return the book by Monday in order to check out a new book on Tuesday. Thank you for helping your Kindergartner to be responsible for his/her library book. This week we will continue our insect unit with a study of the bumblebee. Have a great week!
